**PRAYER REQUESTS**

1. Pray for President Joe Biden and his administration that they would make wise decisions and humbly serve the American people.
2. Pray for the church in America and that they would be bold for truth, no matter what persecution we will face in the future.
3. Pray for school children across the nation that are being indoctrinated with evolution, critical race theory, and LGBTQ+ perversions. Pray that God will reveal to the children that these are false and lies of the devil.
4. Pray for unity in a nation that is divided. Pray that people will recognize that sin fractures our society and that the only solution is the gospel of Jesus Christ. Pray for revival in our churches and a spiritual awakening in our nation.
5. Pray for the protection of the Supreme Court Justices and that they would stand up for life and truth.
6. Pray for Dan & Lori Upchurch missionaries as they minister to all the refugees on the Poland border and help church planters and churches that have had to flee their hometowns.
7. Pray for the search committee as they search for the man of God to be the Associate Pastor of Children and Students.
8. Pray for the Southern Baptist Convention to meet June 13-15 in Anaheim CA. Pray for the Convention to start to take steps back to conservative beliefs and pray that the direction of the Convention can be changed.
